"All that we have accomplished, thought, gained or been: it is lying as in magic preservation in the pages of this book."

From the sound of the track gun signaling a new race on the oval, the bleat of the oboe heralding a concert, to the swish of the curtains rising on a new play, it's action in activities at RUHS. Leadership in journalism, drama, athletics, music and contests is an accepted tradition at RUHS. It's the way things are done. And a full program of activities is the vital pulsating fact of life. We love it.

"A light comedy, written by F. Hugh Herbert, is a modern play concerned with two families with teen-age children. These children are girl friend and boy friend, and the Problems which they encounter may seem hilarious to older folks and to the younger generation who have not experienced the experiences, but to the teen-ager it is not a laughing matter. Colorful and devastating---those are the words for SPORTS at RUHS. With a fine turnout of candidates for every sport, championship teams are the usual thing here. Sports draw the finest talent and the best of spectators; sports draw and hold interest; sports draw a keen sense of dedication. As you follow our record-making panorama of feats of victory, give a thank-you to our coaches, school board, students, and parents for a fine program.

Reedsport's Braves opened the season with a league game, going against the strong Newport team without having had the opportunity to play in a preliminary game. Too many early season mistakes caused the Braves to lose an important game. However they came back strong in the next two games and proved that they could be good football players. The Braves lost one more game, that of a very close 20-13 decision to Siuslaw who eventually became the League Champions.

JV FOOTBALL

In terms of a team's won-loss record you can't say this year's J.V. Football team had a very successful season. However, as the season progressed the team worked hard and many of the players will be ready to play varsity next year.

The understudies to the varsity finished the season with a surprising victory over the Mapleton J.V.'s 32-0 (a game between the two teams earlier in the season resulted in a tie). The team made-up of Freshmen and Sophomores lost three games to North Bend, one to Marshfield, and one to Newport, the season's record was 1-5-1.

SWIM TEAM

Row 1, left to right: Joan Mackenzie, Cathy Stingley, Mike Train, Terry Murphey, Alfred Coffield. Row 3: Coach Mr. Kawachika, Doug Wilkens, David Coffield, Jerry Marks, Larry Riley, Bob Plov.

Reedsport Union High School took its second straight boys' swimming championship on November 23, 1963 at the University of Oregon pool.

By starting and finishing the meet with record-setting performances in two relays, Coach Bob Kawachika's swimmers came close to doubling the tally of their nearest rival, huge Woodrow Wilson High of Portland.

Even though representing the smallest school in the meet, the Braves set three of five records en-route to scoring 49 points. Wilson scored 26, followed by Medford and South Eugene with 21 each and Parkrose with 20.

Among the girls, Wilson High won the honors with 73 1/2 points, followed by Beaverton with 64. Cathy Stingley, only Reedsport girl swimmer, scored 7 points for an eighth place berth.

The Braves jumped off to an early lead when their 200-yard medley relay team, consisting of Larry Riley, Steve Cary, Lynn Wall, and Bob Plov, swam to the finish ahead of the pack with a 1:50.2 clocking. The time shattered the old mark of 1:51.4 set by another Reedsport team in 1962.

In the 200-yard freestyle, John Josephson zipped to a 1:57.4 to place second, even though his time was equal to that of the winner, Bruce Hess of Medford.

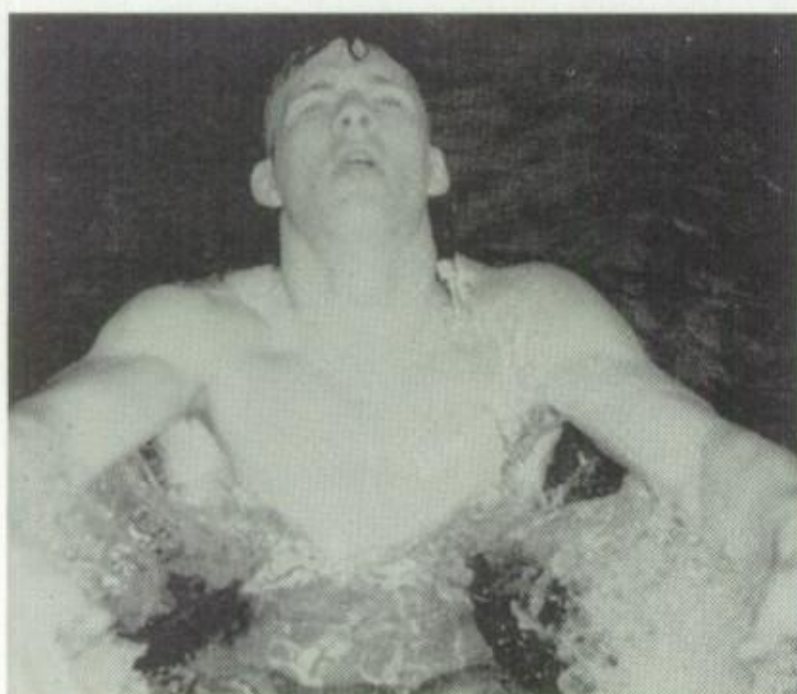

In the 400-yard freestyle, the Reedsport boys went two-three with Hugh Mackenzie picking up the second place medal in 4:16.4. Close behind was his teammate Bob Plov with a clocking of 4:17.5, as Ted Leovich of Lincoln won the event in 4:12.8.

(continued from page 37)

A disqualification in the 100-yard breaststroke gave Steve Cary a gold medal and a new state record. Steve swam the distance in 1:07.4, second to West Linn's Skip Labsch who turned in a 1:06.7, but was disqualified because of an illegal stroke. Cary, who won the event in 1962, broke the old record of 1:09.0 set in 1959.

The final touch to the state championship was applied by the 200-yard free relay team when they covered the distance in the record breaking time of 1:36.5. The old record, set by South Salem in 1962, was 1:37.4. The Reedsport quartet was John Josephson, Jerry Marks, Hugh Mackenzie, and Larry Riley.

Cathy Stingley gained her 7 points for the girl team by placing third in the 50-yard free with a 28.2 and fourth in the 100-yard free with a 1:02.5 clocking after not making the finals in the state contest in 1962.

Reedsport made it four state championships in one year by taking state in track. It was never a question of who was going to win, but by how much for the Reedsport Braves in their overwhelming march to the state crown.

The 79 points accumulated by Coach Harlan Millikin's Braves represented an all-time high for the A-2 champion. Gene Faircloth, repeating his wins in the mile and the 880, led the Braves to their first track title and in the process won the meet's high point trophy with 20 points.

Wayne Jorgensen got second in the half mile with a time of 1:59.9 Mike Rosa got first in the broad jump by setting a new record of 22 feet, 8 1/2 inches. Rosa also got third in the high jump by going 5 feet, 10 inches. John Hedges got second place in the high hurdles and a sixth place in the low hurdles.

John Henson got first in the high jump with a jump of 6-01/2. He got second in the pole vault with a 13-3 1/4.

The quartet of Mike Kellis, Rod Brandon, Jim Wilson, and Bill Humphreys rewrote its own school record of 1:33.0 by turning in a 1: 32.6 for second place in the 880 relay.

They---the Rally Girls, the Tom Toms and the Flag Twirlers---add the necessary ingredients of life and direction to the activities of RUHS. A talented and lovely lot, they put a zestful force and dedication into their task of inspiring and stimulating student activities. A rare honor it is to be chosen a member of the Rally, Tom Toms, or Flag Twirlers at RUHS and when a combined effort is needed for any of the activities at RUHS, these groups may be depended upon.

This is a school where things happen. Happen gayly, completely, wholeheartedly. Organizations are the center of a zestful fulfillment of ambitions and desires. Organizations are the place on our campus where friends meet friends and strangers become friends, and what's more, all become people of action doing things together with a common purpose. Someone once said that an "education is more than a book," and so it is, in our wide and varied groups we of RUHS learn to live, to think, and to go forward in a new world.

He who would be a leader must also know how to follow. And no better way to start to be a leader than to sit in the chair of the student. The tradition of a keen mind in a healthy body is a precious part of RUHS. Classes at RUHS are varied and range from the creative to the tough discipline of a college prep course that puts you into a Harvard or a Stanford. You can silk screen, write a poem, edit a literary magazine, or make a model of the earth, or classify the flowers of our coastal slope--all in our program of academics.

A reason for the active happy pride of RUHS is found in the rare combination of cooperative action between the Administration and the Students. We pride ourselves on a high caliber of student leadership in all things, and in an Administration determined to see that we have only the best of educational opportunities for full development in all our interests and talents. Yes, the Administration and the Students make up a good team for progress.

ADMINISTRATION and STUDENTS

The students of RUHS during a Pep Assembly seem attentive.
